

Congratulations to:

- **Shantai Watson** for being selected to the Alberta Alpine K2 High Performance camp that took place at Nakiska November 26 and 27th. The selection criteria was based on finishing in the top 10 of the provincial standings last season.
- **Shantai Watson** was also selected to take part in the Alpine Canada K2 Rising Stars Camp which took place in Panorama from December 5th to 11th. This camp features the top 10 female and top 10 male K-2 athletes in Canada. The camp is an effort by Alpine Canada to bring the best athletes in the country together to train, and become familiar with each other and the national team coaches. The past has shown it is often this group of athletes that will soon be competing in the World Junior Championships and holds future members of our national ski team.
